

Remarks

Applicant thanks the Examiner for the careful examination of this application and the clear explanation of the objection to the disclosure.

The amended specification includes the same Brief Description of the Drawings contained in US 6,731,106, which issued from the parent application of this application. Entering this amendment will cause no undue work for the Office and does not change the substance of the application or the allowed claims.

The application is in allowable form and the claims distinguish over the cited references. Applicant respectfully requests issuance of the patent.

Respectfully Submitted,

/Lawrence J. Bassuk/
